

Announcement 2018 – 67

Planet Home Lending Improved Jumbo Pricing

Planet Home Lending is pleased to announce that pricing has improved for Prime Jumbo Loans. As an Emerging Banker partnered with Planet, you will be able to utilize this competitive advantage immediately.

Rates for the Prime Jumbo product improved from .125%-.25%, and are effective with the release of Rate Sheets for Thursday 11/29/18.

As a reminder, Prime Jumbo loans require two full appraisals when:

- The loan amount exceeds \$1,500,000
- The loan is a Higher Priced Mortgage Loan (HPML) that involves a property flip transaction

For full product details, please refer to the Seller Guide located on the CORE Seller Portal.
